

Provider/Stakeholder Strategies Screening Workshop July 16, 2008

Agenda

1. Goals for Today's Workshop:

- Review "universe" of strategies and confirm whether staff/URS screened list is representative of needs and opportunities.
- Identify any required changes to staff/URS list.
- Cover methods for Phase 2 screening.

2. Methodology for Preliminary Screening

- Strategies to Maintain - Categorize into Two Groups
 - Upper Tier Strategy
Addresses a core need(s)
Affordable
Has broad local support for implementation
 - Lower Tier Strategy
Addresses a core and/or peripheral need(s)
Higher cost
Need to build support in order to implement
- Strategies to Dismiss – Those having a fatal flaw

3. Next Steps

- Second phase screening methodology/results.
- Review and discuss project timeline.
